*I just want to say a very big thank you to you and your team at Care to Move for the wonderful job you did looking after and cleaning my Aunt's estate. I was truly overwhelmed when I realised what needed to be done to get the house ready for market. A weight was lifted off my shoulders by the help, support and care your team gave to me. Thank you also for coordinating with our Real Estate agent in the process. I would have no hesitation in recommending Care to Move to my friends and family. Well done Care to Move. Love your work.
Kind Regards, Ruth.*

P.S. My parcel arrived today with the little treasures I missed and left behind – thanks for your honesty in returning them to us.
